

In the Specification:

Please amend the sixth full paragraph on page 3 and the second full paragraph on page 13 as provided respectively below:

12.5 -- The thus obtained [force time] force distance diagrams of 6 individual measurements each are shown in Figs. 4 to 7. --

13.3 -- One-component does not, however, mean that the solution may not contain more than one type of [polyoxisiloxane polymer] polysiloxane polymer, optionally also in admixture with chemically different polymers (e.g. polyacrylates). --
